# PRIVATE SWIM LESSONS

## New Britain–Berlin YMCA

Our Private Lessons run on a rolling registration with the option of an 8 class bundle or a 4 class bundle. These two bundles are not required to run with group lesson sessions. Payment is due before you receive a phone call from the Aquatics Director to schedule your lessons. Please provide the best availability you have at the time of registration. Scheduling of your lessons depends on instructor availability but we will do our best to accommodate your requested times. All classes must finish by December 31st and may not roll over into the following calendar year. If you must cancel a lesson, at least 1 hour notice is required. You must speak with your instructor, the Aquatics Director, or YMCA employee at the time of cancellation. If you do not call, it will count as a lesson and there will be no make-up.
