

# Interactive Math Websites And Apps

## Summer Practice

### Incoming Grade 1

#### Websites:

- [gregtangmath.com/summer](http://gregtangmath.com/summer)
  - This is a great site for summer math practice! Your child can complete the Summer Math Challenge game board, using the online games and books at GregTangMath.com. Students who complete the challenge can be entered into a prize drawing on the site by their parent. *A copy of the math challenge game board is included in your child's summer packet.*
- <http://bedtimemath.org>
  - This site has quick and engaging daily activities that include a story and math question focusing on fun, real-world math topics. What a great opportunity to make math part of the family routine! *There will also be a Summer of Numbers Olympics starting on June 15.*
- <http://www.fun4thebrain.com>
  - This site includes a wide range of games for practicing math facts (addition, subtraction, multiplication and division).
- [www.uen.org/k-2interactives/math.shtml](http://www.uen.org/k-2interactives/math.shtml)
  - This site includes a wide variety of games and activities related to tangram puzzles, patterns, sorting, adding, subtracting, geometry and place value.
- [www.sheppardsoftware.com](http://www.sheppardsoftware.com)
  - When entering the site, click on “Math” at the top. Then, select an area of focus, such as “Early Math” or “Basic Operations” in order to see a specific set of games and activities related to counting, ordering, comparing, adding and subtracting, etc.

#### Apps:

- Line ‘em Up (Focus: Sequencing numbers on a number line)
- Splash Math (This has grade-level specific apps to select from)
- 10 Frame Fill (Focus: Working on a 10 frame with numbers to 10)

**\*\*Disclaimer: Some websites and apps may have advertisements. Please be sure to**

**monitor your child when completing activities.**
