

Interactive Math Websites And Apps

Summer Practice

Incoming Grade 3

Websites:

- gregtangmath.com/summer
 - This is a great site for summer math practice! Your child can complete the Summer Math Challenge game board, using the online games and books at GregTangMath.com. Students who complete the challenge can be entered into a prize drawing on the site by their parent. *A copy of the math challenge game board is included in your child's summer packet.*
- <https://www.ixl.com>
 - This site provides grade-level specific questions related to multiple math topics. There is also an app for the iPad, Android and Kindle. *Your student can continue to use his/her IXL account from the school year when practicing on IXL during the summer.
- <http://bedtimemath.org>
 - This site has quick and engaging daily activities that include a story and math question focusing on fun, real-world math topics. What a great opportunity to make math part of the family routine! *There will also be a Summer of Numbers Olympics starting on June 15.*
- <http://www.fun4thebrain.com>
 - This site includes a wide range of games for practicing math facts (addition, subtraction, multiplication and division).
- www.uen.org/k-2interactives/math.shtml and www.uen.org/3-6interactives/math.shtml
 - This site includes a wide variety of games and activities related to tangram puzzles, patterns, sorting, adding, subtracting, geometry and place value.
- www.sheppardsoftware.com
 - When entering the site, click on “Math” at the top. Then, select an area of focus, such as “Early Math” or “Basic Operations” in order to see a specific set of games and activities related to counting, ordering, comparing, adding and subtracting, etc.

Apps:

- Splash Math (This has grade-level specific apps to select from)
- Number Bond Blasters (Practice math facts with number bonds. $+$ / $-$ and \times / \div)
- Make 10 Plus (working with sums of 10)
- Thinking Blocks Addition (Problem solving with addition and subtraction)

****Disclaimer: Some websites and apps may have advertisements. Please be sure to monitor your child when completing activities.**
